PNC BANK ANNOUNCES APPOINTMENTS TO SENIOR SECURED FINANCING TEAM

PITTSBURGH, June 13, 2017 – PNC Bank, N.A. announces the following appointments to its senior secured lending team:

Michael Keenan, based in Chicago, joins PNC's senior secured lending team as senior vice president and business development officer. He is responsible for new business development, originating asset-based and cash flow financing for private equity firms and middle market companies in the Upper Midwest. Previously, Keenan served as a business development officer with Ares Commercial Finance providing asset-based loans to middle market companies, including those in distressed situations and start-ups. Keenan earned a bachelor's degree in finance and economics from Indiana University of Pennsylvania and an MBA in finance from the University of Pittsburgh.

A 10-year PNC veteran, **Katie Marshall** has transitioned to vice president and business development officer with the senior secured financing team based in Dallas. She is responsible for new business development, originating asset-based and cash flow financing for private equity firms and middle market companies in North Texas and Oklahoma. Marshall most recently served as a business development officer in the Upper Midwest region. She earned a bachelor's degree in finance/accounting and French from the University of Pittsburgh.

Aimee LeWinter, a 13-year banking veteran, has transitioned to senior vice president and business development officer with the senior secured financing team based in Fort Lauderdale. She is responsible for new business development, originating asset-based and cash flow financing for private equity firms and middle market companies in the Southeast. LeWinter joined PNC in 2010, most recently serving as a middle market relationship manager. She earned a bachelor's degree in finance and an MBA from the University of Florida.

PNC Bank, National Association, is a member of The PNC Financial Services Group, Inc. (NYSE: PNC). PNC is one of the largest diversified financial services institutions in the United States, organized around its customers and communities for strong relationships and local delivery of retail and business banking including a full range of lending products; specialized services for corporations and government entities, including corporate banking, real estate finance and asset-based lending; wealth management and asset management.
